

SCHOOL MOBILE

Connecting your school – made easy

A Rybel LLC Product

Product:

Connect your school with Students/Parents using Rybel LLC's School Mobile platform. This easy to use app can be quickly customized for any size school and a free download is always available to everyone. School Mobile contains all the features to ensure your school is fully informed and up to date on all activities, events, and important notifications. That's only possible with a mobile app, and School Mobile is the affordable solution for your school.

Features:

Push Notifications

Staff can communicate messages easily to all users, or specific subsets.

Weather Information

Provide easy access to the current weather and the forecast for your community. This is a great way to alert users of school closings too.

Event Information

Display a list of upcoming events at the school

Group Based Content

Administrators can create groups within the school to receive specific content. There are no passwords to manage, just flip a switch.

Sponsors

Create revenue by selling App Sponsorships for local businesses or even organizations within the school

Sports

Provide information about sports teams schedules and results

Calendar

Include a Google Calendar of Activities and Events in Daily, Weekly, or Monthly views

Faculty/Staff

List faculty/staff information so users can easily contact them or visit their blog

Custom Features

We will be happy to work with you to add custom features to your app

Pricing:

Initial Development: \$299

A one time fee to develop the app for your school. This charge won't be due until you are fully satisfied with the app! \$299 is a baseline cost to have the app developed especially for your school – custom features may be added for additional pricing

Billing/Payments:

We can invoice you for the monthly maintenance charge at an interval of your choosing: annually, quarterly, or monthly. We accept major credit cards and checks for payments.

Monthly Maintenance: \$69

This is the charge to keep your app available for free download by users at any time. \$69 a month is the baseline cost to keep the app updated and available for download. If you want custom features, there may be an additional charge.

Sponsors:

You can choose to have sponsors in the app. The app will allow you to manage the sponsors while allowing you to keep the majority of sponsor revenue. This can help significantly with the monthly fee.
